Hindu Swayamsevak Sangh NZ Inc. joins all fellow New Zealanders in strongly condemning the terrorist attack at the Deans Ave mosque and at the Linwood Ave mosque in the City of Christchurch on Friday, which ended up with the killing of many of our fellow beings. This act of terror is against humanity and there is no place for such acts in New Zealand.

HSS NZ Inc extends its sincere condolences to all the families & friends of victims who lost their lives in this tragic event. Our compassionate thoughts and prayers for the speedy recovery of those victims who are seeking medical treatment & support due to this barbaric act of terrorism and to everyone affected.

In this time of need, HSS NZ Inc with all the other Hindu Organisations around the country extends their heartfelt support to the families who are affected by this terrible incident.

Being New Zealanders, let us all stand together as a proud nation of many migrant communities, sharing the common values of love, compassion, co-existence in harmony & let no act of terrorism divide us. Its high time to be more vigilant that no divisive forces allow us to succumb to these threats & to join hands to fight against these forces.

Regards
