## HSS NZ Condemns the Heinous Attack in Pahalgam

**Hindu Swayamsevak Sangh New Zealand** (HSS NZ) strongly condemns the horrific and cowardly terrorist attack that took place in Pahalgam, Jammu & Kashmir, Bharat (India), targeting innocent tourists, specifically Hindus, after asking and checking their religious identity in some cases, as per media reports.

The deliberate targeting of peaceful Hindus is an attack not only on human lives but also on the deeply held values of religious freedom and peaceful coexistence that Bharat (India) has promoted from time immemorial.

All peace-loving people around the world must unequivocally condemn such acts of violence, as it has no place in a civilized society.

Our thoughts and prayers are with the families of those who lost their lives in this tragic incident, and we stand in solidarity with the families of the dead and injured in this attack.

HSS NZ urges the global community to unite against terrorism in all its forms and extend full support to efforts to ensure peace, justice, and security for all.

**Om Shanti.**
